## God Is On The Move...

God is on the move! We want you to be a part of what is happening this summer.

Starting with the **Solemn Assembly on July 7th at 7pm**. God has told us to call a solemn assembly and join churches across the country as the body of Christ cries out to God for this nation. "Declare a holy fast; call a sacred assembly. Summon the elders and all who live in the land to the house of the LORD your God, and cry out to the LORD." (Joel 1:14)

It has been a time of fasting and prayer and we are going to continue that mode through July 7th. Join us as we contend for this nation. Our country needs a turn around.

Forty years ago our nation chose to step away from God with the beginning of the "Free Love" movement, Roe vs. Wade, and prayer being taken out of schools. We need to pray for our government, our schools and our judges to turn back to God.

**God has also told us that His people need to think BIGGER!** So we are preparing the way for the multitudes of teens and young adults that we are praying into the kingdom.

God has a special calling on this young generation and

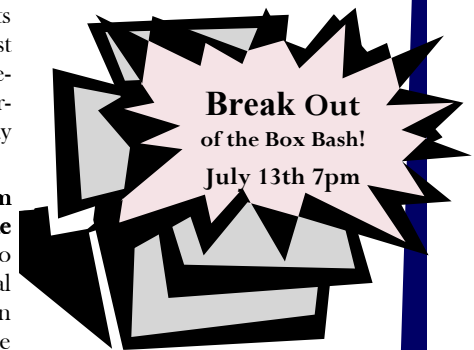

they will be doing exploits for their God in these last days. We need to get behind our youth and encourage them to go all the way with God.

Join us on **July 13th 7pm for our Break Out of the Box Bash!** We are going to be celebrating the spiritual revival that is taking place in God's church as well as the **physical expansion** of our youth center. There will be special music, skits, and food available. *All proceeds will go to the expansion.*

God is moving through all ages right down to the little children. He has also called us to open a **Childcare center that will be opening in August**. At *God's Treasures*, the children will be equipped with the Word of God and taught how to move in the power of the Spirit. "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." (Matt 19:14)

Pre-enrollment is going on now for children ages 1 and up so make sure to call today as space is limited!

Last but not least, **Grace Christian College will be kicking off another year in August**. The accelerated Associate Degree program will be two Saturdays a month beginning August

18th. When the 2008 class graduates, they will have gone in depth through the entire bible in one year. For those who already have their Associates, junior level courses start August 13th and are held Monday nights. Whether you want a degree or just go deeper with God, classes are available. Be sure to enroll today!

God is on the move and we hope you will be on the move with us especially with extra prayers and extra giving asking God what he wants you to do. For those of you who know us, you know that we never take a step unless God has told us too. We know that he has awesome plans with all that is coming up. Plans to glorify Him and bring souls into the Kingdom because that is what it is all about. Amen!

God Bless you all!
