Name Your Seed!

If your believing for something, write it on the envelope so we can agree with you!

The following is an excerpt from various encounters that Greg has had with the Lord:

“Jesus spoke, my son, the apostles are here to talk to you and help you understand things in a way you have not yet grasped. This time was spoken by the Father in eternity past and it is now coming forth.

Then Jesus motioned to everyone around us to come with Him. As we walked along the streets of heaven, I noticed that there were numerous people very excited and I asked the Lord, “What is this all about? “

Jesus answered, “These are the cloud of witnesses that have been

watching the events upon the earth and are awaiting my return.”

Then suddenly I was in the desert during the time when Israel was being led by Moses. There was much turmoil and discussion about how good it was when they were in bondage in Egypt. I heard comments like, “At least we knew when our next meal was coming!” Others were angry about leaving their old friends in Egypt. Then the leaders of the tribes would come up to these people and correct them for speaking against Moses and Jehovah.

Next we were standing in a present day church and people were arguing about what was happen-

ing and they were not willing to see that these things were the judgments of their sins and for their leaving Jesus behind for their idols. They would use the Bible promises, not as blessings, but as things that they demanded from God. They were arguing about the fact that if anyone did not have things, they were sinful. They would not accept the fact that many were putting all else aside for me...”

I am glad I am able to share with you what God has shown me. These trips to heaven are something he wants to share with all His children so be expectant!

God Bless, Greg Nies Sr.

As The End Draws Near...

I heard, “Increased separation. The dividing line is becoming more apparent. Those who seek me will find me, those who choose to obey and go my way will continue to move from Glory to Glory. Nothing will stand in their way. Those who decide to walk away from me or choose by not choosing, things will get worse. The love of most will grow cold. Only those who are filled with the fire of the Holy Spirit will be able to withstand what is about to come. The demonic will continue to increase as lawlessness takes over many

hearts. But do not fear, my glory and presence and power will also increase to an even greater threshold that will send poverty, debt and lack fleeing. Stay focused on me and my promises as the end draws near. Bring in a harvest of souls and make me rich.” When the Lord said that poverty, debt and lack would be sent fleeing, I got the strong sense that He was saying don’t just limit your thinking to finances. People are having to deal with poverty and lack in their spiritual lives and their physical bodies. People are holding on to debts, not just

financial debts, but feelings of guilt and debt to others that are keeping them in bondage.

This word was followed by a vision of a person walking straight ahead in the light focused on the path in front of them. There was darkness all around the light and demons kept trying to grab the person but they could not get to them. The light acted as a barrier. The person did not even seem to notice the demons but just kept walking ahead.
