## **Preface**

In the current hour we are in need of an extension of the prophetic into our devotions. This is where the Lord can bring revelations into our daily lives, where they haven't ever been before. The world will be more open to this than the legalistic, traditional church. They mostly remain locked into their past, where they refuse to move into the new understanding of the Holy Spirit, and His movement today. But this is being offered to all people, who will approach the prophetic with an open mind and heart that God can touch deeply.

As you read these words of truth, let the Holy Spirit take you to places where you have never gone before. Let Him touch you with the light of understanding, which will lead you on a peaceful path, to the throne room for the first time.

## **Before You Start Another Day**

*“It is better to trust in the Lord than to put confidence in man.” -Psalm 118:8*

*“Before I formed thee in the belly I knew thee...”  
-Jeremiah 1:5*

Trust in Jehovah God, the One who made us and knew us before we were formed. He is the One who gave us life and purpose. Knowing that fact, we are to be confident in His abilities to lead us forward in life. He knows the beginning from the end. He knows your thoughts before you have them. Taking a step ahead in Him who knows all, will give us greater peace each and every day. It opens the opportunity to unlock the future that He put into our hearts when we were made.
