Introduction

Pastors Greg and Terri Nies have been walking in the Holy Spirit for over twenty-five years. Over the course of this time, they have been given many awesome revelations. In 2005, during a New Years evening meeting, Greg was taken to Heaven, where he walked the streets of Heaven and talked to Peter (this experience is explained further in Greg's first book, *The Veil Has Been Lifted*). Since that time, Greg has been blessed to go to Heaven on a regular basis, almost daily. *The Day the Heavens Opened* continues this glorious walk, and takes you further in your own walk with Jesus. Join Greg in this powerful time of visitation!
