

# ~The Unveiling~

Prophetic Newsletter  
Volume 1 Issue 6

## Signs in the Heavens Above, Manifestations of God's Presence and Huge Discoveries in Medicine

There will be floods where there never has been before...

- ◆ There will be prophetic signs appearing in the heavens. People will start to see manifestations of light in the heavens that they have never seen before and science will not be able to explain them.
- ◆ There will be the appearance of the Lord Jesus in the heavens to many people as they look into the sky.
- ◆ There will be manifestations of the anointing upon the lives of people who were thought to be terminally ill and they will tell of the presence of God and of their healings.
- ◆ There will be fires raging upon the world in numerous countries and they will be difficult to bring under control.
- ◆ There will be snow in summer and ice falling from heaven. The land will be covered in hail from storms this summer.

- ◆ There will be floods where there have never been any before and they will sweep away houses and people.

- ◆ There will be warnings given to people by God and they will ignore them, while turning in rebellion to the worlds ways of doing things.
- ◆ There will be manifestations of light in the day and fire at night in the skies above the desert lands.
- ◆ There will be massive numbers of people dying from hunger in certain areas of the world while there is an abundance of food in other areas.

- ◆ There will be title waves hitting South Carolina, Florida, California, Japan, Africa and India.
- ◆ In the midst of everything, there will be mass revival hitting the youth this summer and it will be seed for world wide revival the rest of this year.
- ◆ People will gather in homes to pray and they will take back their neighborhoods for God. The government will try to outlaw it but will not be able to.
- ◆ Prophetic evangelism will hit the streets and people will be drawn by the truth of the words given and declared upon peoples lives and will turn their lives over to Jesus.
- ◆ There will be discoveries in medicine that will bring cures for Alzheimer's Disease and Dementia.
